Notes:

¹ In terms of the clarification issued by The Institute of Chartered Accountants of India(ICAI), the tax expenses for the quarter have been measured without considering the changes proposed on 8 July 2004 in the Finance (No.2) Bill, 2004 with regard to tax rates and tax laws. These changes would have an impact of additional tax liability of Rs. 20 million for the quarter and of Rs.199 million due to restatement of deferred tax liabilities relating to earlier years (i.e. upto Financial Year 2003-04) at a higher rate.

² In compliance with Accounting Standard 28 relating to "Impairment of Assets" issued by the ICAI, provision for impairment of assets, if any, as at 1 April, 2004 will be adjusted at the end of the financial year against opening balance of General Reserves.

³ In April 2004 the Company has raised foreign currency loan equivalent to Rs. 1119 million for five years at a floating rate.

⁴ Disclosure relating to number of complaints from investors during the quarter:

Pending as on 01.04.2004	Received	Resolved	Pending as on 30.06.2004

⁵ Previous quarter's figures have been regrouped wherever found necessary.

⁶ The above results have been taken on record at the meeting of the Board of Directors of the Company held on Saturday, 31 July 2004.

⁷ The quarterly results for the period ended 30 June 2004 have been reviewed by the auditors.
